To Whom It May Concern

I have known Eric for the last 9 years, and over those years, he is the one person that I have met that has always come through. He is extremely dedicated to whatever he puts his mind to, and has proven himself as a leader and one to always come through.

I am the event director of the Dive N' Surf Oregon Pro, one of the events on the Big Wave World Tour. When I started working on this year's event, I contacted Eric and asked for his help. He successfully brought us sponsorships, which proved to be invaluable, headed up our social media campaigns, and provided water safety. We would not have been able to do it without his help.

Eric is passionate about surfing, the industry, water safety, and most of all, tow surfing. That passion shows through with everything I have seen him do. He is a solid guy with good foundations, a great work ethic, and a good friend.

Please feel to reach out to me if you need any additional information. I know he will be a valuable asset to your organization.

Sincerely,
